

2014 PRESIDENT'S AWARD WINNER IS ANNOUNCED!

Each year we recognize the KMG employee nominated by their peer who over the course of the year exemplifies our Core Values. The winner is presented the President's Award, which in addition to the recognition within KMG, provides an all - expense paid trip for him or herself and immediate family. The selection process involves the review of all of the nominations by the President's Award Committee.

It is with great pleasure we announce the 2014 President's Award winner is **David Roe** from our Riddings, UK plant.

The official presentation to David was made on September 23, 2015. Chris Fraser, Chairman, President and CEO announced and presented the award in front of over 60 KMG leaders from around the world.

David's support, demonstration and dedication to the KMG Core Values is evident in his daily work and the recognition by his coworkers.

We all wish David and his family a wonderful trip to the destination of their choice. KMG is proud to have David on the KMG Chemicals team and the 2014 President's Award winner. **Congratulations David!**
