

2015 PRESIDENT'S AWARD WINNER IS ANNOUNCED!

Each year, we recognize the KMG employee nominated by their peer who over the course of the year exemplified our Core Values. The winner is presented the President's Award, which in addition to the recognition within KMG, provides an all - expense paid trip for him or herself and immediate family. The selection process involves the review of all nominations submitted by the President's Award Committee.

It is with great pleasure we announce the 2015 President's Award winner is **Gabe Deherrera** from our Pueblo, Colorado plant.

The official presentation to Gabe was made on November 10, 2016. Chris Fraser, Chairman, President and CEO announced and presented the award in front of all Pueblo employees following a brief review of our 2016 results.

Gabe's support, demonstration and dedication to the KMG Core Values is evident in his daily work and is recognized by his coworkers.

We all wish Gabe and his family a wonderful trip to the destination of their choice. KMG is proud to have Gabe on the KMG Chemicals team and as the 2015 President's Award winner. **Congratulations Gabe!**
